Scooters

As a privilege, students may now elect to ride to school on a scooter. In order to take up this privilege, pupils need to seek their parent's permission. They must then read, agree to and sign a scooter contract (attached). The signed contract should be returned to the school office before scooting to school. Storage boxes have been provided outside the school reception office and scooters must be stored here during the school day (at pupil's own risk). Scooting is not permitted anywhere on the school grounds and those with scooters must walk with them when in school. Breaking of any the scooter contract terms will result in the privilege being withdrawn.
